ENGLISH

VARIETY CLIMBER
Age: 3 - 6 years

Suggested uses for the promotion

ADULT ASSEMBLY REQUIRED

Two adults are recommended for assembly.

WARNING:

• Prior to installing, the packaging contains small parts which is a choking hazard for babies and small children. Keep away from children until assembled. Make sure all parts are tight before using. Always wash hands after handling the equipment.

• Do not allow children to climb on this product while you are assembling it. Keep children at a safe distance from the assembly area.

• Do not allow children to touch the assembly tools that are not specifically designed for this product such as, but not limited to, impact wrench, jigsaw, or other power tools.

• Keep all tools and assembly pieces out of children's reach.

• Assemble the equipment in a well-ventilated area and away from any sources of ignition.

• This product is intended for use by children 3 years and older, under adult supervision. Do not allow children under 3 years of age.

• Maximum weight limit per adult 50 lbs (23 kg).

• Limit 4 children.

• Shoes may be worn. If shoes are worn, please ensure they are appropriate for outdoor play. Remove any loose or protruding objects such as laces from shoes.
