Limited Warranty

The Little Tikes Company makes fun, high quality toys. We warrant to the original purchaser that this product is free of defects in materials or workmanship for one year * from the date of purchase (dated sales receipt is required for proof of purchase). At the sole election of The Little Tikes Company, the only remedies available under this warranty will be either replacement of the defective part of the product or refund the purchase price of the product. This warranty is valid only if the product has been assembled and maintained per the instructions. This warranty does not cover abuse, accident, cosmetic issues such as fading or scratches from normal wear, or any other cause not arising from defects in material and workmanship.

U.S.A and Canada: For warranty service or replacement part information, please visit our website at www.littletikes.com, call 1-800-321-0183 or write to: Consumer Service, The Little Tikes Company, 2180 Barlow Road, Hudson OH 44236, U.S.A. Some replacement parts may be available for purchase after warranty expires—contact us for details.

*Wet and Dry Inflatable Bouncers Warranty:
We warrant to the original purchaser that the fabric in this product is free of defects in materials or workmanship for 90 days from the date of purchase, and the blower is free of defects in material or workmanship for one year from the date of purchase (dated sales receipt is required for proof of purchase) Outside U.S.A and Canada: Contact place of purchase for warranty service.

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, as the above limitation or exclusion may not apply to you.

Questions and Answers
**Safety Warnings:** **SET UP**

- **ADULT SUPERVISION AND SETUP REQUIRED.** This product should be inflated or deflated only by a competent adult. Follow all instructions provided.
- **Intended for outdoor domestic family use only.** Not for use in public areas or as a rental.
- **Product is heavy.** Use caution when lifting.
- **Product should never be dragged across concrete, pavement or other rough surfaces.**
- **WARNING! Keep away from fire.** Keep fabric clear of all flame and ignition sources.
- **Do not set up in windy or rainy conditions; sudden gusts of wind may lift the product off of the ground.**
- **Product can be installed in any orientation in relation to the sun, since there are no metal components or surfaces that can absorb excessive solar radiation.**
- **Set-up in outdoor location only that meets the following criteria:**
  - Place on level ground on grass or dirt surface to allow proper use of stakes.
  - Placing on slanted or uneven surfaces may cause the product to tip.
  - Stakes should be placed at an angle for better anchorage, should be driven under the ground to prevent tripping.

**Safety Warnings:** **FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN SERIOUS INJURY OR DEATH.**

- **Constant, competent adult supervision of children and other young users is required at all times.**
- **Keep the area around the product clean, and clear of objects, to prevent slips and falls.**
- **Do not allow children to play in the product until it is fully inflated.**
- **Do not allow children to play on it if wet. Thoroughly dry before use.**
- **This is not an aquatic toy. It is not to be used in water.**
- **Instruct children on proper use of this product:**
  - Children should not wear loose or baggy clothing, scarves, hoods or clothing with drawstrings or long cords while playing on this product.
  - Children must remove helmets, headgear, shoes and glasses, as well as any sharp objects from their pockets, as they may puncture the bouncing surface.
  - Toys and other objects should never be allowed inside the bouncer.
  - Instruct children not to attach items to the product that are not specifically designed for use with the equipment, such as but not limited to, jump ropes, clothesline, pet leashes, cables and chains as they may cause a strangulation hazard.
  - Keep pets away from product.

**Deflation & Storage**

**CAUTION:** the blower is capable of moving large volumes of air very quickly. Place the blower in an area where it will not draw in dirt or leaves. Keep blower and power cord away from children, water and traffic.

**ATTENTION:** Blower should remain on and continuously inflate bouncer during use. Airflow through seams is normal. Do not try to seal or repair seams.

**ADULT SET UP REQUIRED. DO NOT SET UP ON HARD SURFACES.** Falls onto hard surfaces could result in head or other serious injuries. Never put on concrete, asphalt, packed earth, wood or other hard surfaces. Carpet over hard floors may not prevent injury. Product is heavy. Use caution when lifting.

- Minimum clearance zones: Place at least 6’ (2m) away from any other objects. Objects to be avoided include but are not limited to fences, buildings, trees, overhead branches, laundry lines, electrical wires, walls, or bodies or sources of water.
- Make sure the area around the product is secure by adding safety barriers, if necessary, to keep young children and pets from gaining access.
- Electrical cord must not be passed under the air filled devices (inflatable bouncer) and interfere with its operation.
- The blower uses a main powered blower (air pump) to maintain pressure, only to be used by an adult.
- Only the blower supplied should be used for inflation.
- Do not use extension cords with this product. Set up as close to power source as possible. The blower should be securely anchored to the ground before use.
- CAUTION: The blower is capable of moving large volumes of air very quickly. Place the blower in an area where it will not draw in dirt or leaves. Keep blower and power cord away from children, water and traffic.
- **ATTENTION:** Blower should remain on and continuously inflate bouncer during use. Airflow through seams is normal. Do not try to seal or repair seams.

**Deflation & Storage**

- Children should bounce away from others, and stay away from openings and side walls.
- Children should not jump onto or off the product.
- Total weight of children must not exceed 250 lbs. (113 kg). No more than 3 children should play on the State Fair Bouncer at the same time.
- Do not allow children to play together who are unevenly matched.
- **Before and during use, check for air loss. Check blower is properly connected.**
- Always check the product and all its anchorage points before and during use, and to re-secure as appropriate.
- After inflation, the blower should run continuously while children are playing.
- Prior to deflating, remove all children.
- Always deflate product after use, and store indoors.

The product should be periodically examined for potentially unsafe conditions such as: damaged cord, plug, housing, or parts, and that in the event such damage is found, the product should not be used until properly repaired. Never leave the fan outside in the rain or elements when not in use. Refer to the instructions for set-up, storage, maintenance and care.
**Deflation & Storage**

1. Turn off the blower and unplug it from the outlet.

2. Switch power off

**Minimum Clearance Zones**

MINIMUM CLEARANCE ZONES

Make sure there is a 6.6-feet (2m) obstacle-free zone around the product, including the slide and overhead.

INFLATABLE SIZE:
18.4W x 6.0D x 7.4H feet (5.6 x 1.8 x 2.3 m)

**Set-up**

1. Untie drawstring from the Intake Tube and allow the State Fair Bouncer to fully deflate.

2. Switch power off

3. 6.6 ft. (2m)
Set-up

4. **CAUTION:** Do not open or try to service the blower. If blower needs servicing, take it to a reputable dealer.

5. **CAUTION:** Do not cover the air intakes when the blower is being used and do not insert small objects into any part of the blower.

6. **WARNING:** If the blower remains ON when the “test” button is pushed, the unit is NOT working properly. DO NOT USE THE UNIT. Take the unit to a certified electrician immediately.

Inflation & Staking

1. Switch power ON. If blower does not operate when switched on, press the reset button on the GFCI adaptor.

2. Blower should remain on and continuously inflate bouncer during use. Airflow through seams is normal. Do not try to seal or repair seams.

3. Re-measure clearance zone prior to inflation.

4. Secure the blower to the ground with the stakes provided.

5. Wrap drawstring around the tube and end of blower once, and tie tightly in place.

6. Attach longer fabric tube to blower unit making sure the tube is not twisted.

7. Secure the blower to the ground with the stakes provided.

8. Test the blower AC Adapter:
   1. Plug GFCI into receptacle.
   2. Press reset button.
   3. Press test button.
   4. Press reset button to use product. Do not use if the button fails to disable fan.

9. **WARNING:** Electrical Hazard - DO NOT USE EXTENSION CORDS WITH THIS PRODUCT.
